## CODING EDUCATION

### UNH Coding Bootcamp, Portsmouth, NH

September 2019 - PRESENT

Student in the UNH Web Development Coding bootcamp. Learning to be a full-stack web developer using HTML, CSS, Javascript, Bootstrap, APIs, and Node.js

### UNH, Durham, NH — CS 415

January 2019 - May 2019

Student in CS 415, Introduction to Computer Science. Learned how to code using Java. Learned loops, conditionals, objects, and functions to complete weekly homework projects, labs, quizzes, and exams.

## EMPLOYMENT

### YMCA Camp Coniston After School Program

#### Sunapee, NH

October 2019 - Present

Working as an employee of the Sunapee site of YMCA Camp Coniston's After-School program. Looking after 20-30 kids aged 5-9. Working on homework and playing games until their parents pick them up

### YMCA Camp Coniston, Croydon, NH

#### Photographer/Social Media Manager

July 2019 - September 2019

Photographing all that goes on at camp from breakfast through evening activities. After capturing images, I would curate them and include them in 1-3 posts a day to Facebook. After the summer season, I sorted images by content and flagged pictures to be used in marketing materials.

## SKILLS

Java, HTML, CSS, Bootstrap,  
Javascript, Node.js
